

Emergency General Meetings

When decisions need to be made or discussions need to be had quickly, we will call an Emergency General Meeting.

This still has a months advance notice, and does not replace a [General Meeting](#) or an [Annual General Meeting](#) in the year.

Previous Minutes

Each meeting is preceded by an agenda (sent out with the announcement), and has recorded minutes, We have only had one EGM so far in the hackspaces history:

- [2016-07-13](#)
